My Jupyter Notebook on IBM Watson Studio

- **Belal Rami**
  - Student

I am interested in Data Science because I love solving problems and working with data. I also think that data sceintists will be very high in demand in the upcoming years.

Multilpying two random numbers

```
In [1]: 3*3
```

```
Out[1]: 9
```

- Car
- Bike
- House

1. Dog
2. Cat
3. Mouse
